

TOUR *the* FRUIT LOOP!

Follow Cnty. Hwy. J just north and south of Bayfield, or take Washington Ave. from downtown and discover a wealth of fruits, berries and fresh produce! Be sure to spend some time meandering the backroads, including Valley Rd. and Betzold Rd., on the hills above Bayfield - the roadsides are dotted with farm stands and orchard shops, just waiting for you to discover them.

JOIN US *for* APPLE FESTIVAL!

Every autumn, the growing season culminates with a three-day celebration of the region's agricultural heritage, the Bayfield Apple Festival. Known locally as Applefest, the event features local foods, arts and crafts booths and live entertainment provided by the Blue Canvas Orchestra of Big Top Chautauqua. And, of course, apples!

It begins on the first Friday in October and is consistently rated as one of the top fall harvest festivals in the nation.

Special events include the coronation of the Apple Festival Queen, who is chosen from Bayfield's orchard families, an apple peeling contest, and the Grand Parade on Sunday afternoon. #BAYFIELDAPPLEFEST

BERRY FARM & ORCHARD - GUIDE -

Surrounded by family farms and orchards, an exploration of local food culture begins with a tour of the Fruit Loop, which winds its way around the city of Bayfield.

Bayfield's location near Lake Superior and the Apostle Islands creates a unique micro-climate, which allows fruits and berries to flourish on the land surrounding the city. During the summer months, you can find fresh strawberries, sweet and tart cherries, raspberries, blueberries and blackberries at the downtown farmers market every Saturday morning and at roadside stands along the Fruit Loop.

As the temperatures start to cool, the apple orchards begin their harvest, offering apples of every size and flavor, including many heirloom varieties. Bayfield's berry farms and orchards also offer pick your own options all season long. Known as the Berry Capital of Wisconsin, Bayfield proudly supports its local farmers and orchardists.
